2:00 pm

Marine Board – General Business

Meetings will begin promptly and under normal circumstance will proceed through the agenda as outlined. Meetings are being held in a facility that is accessible for persons with disabilities. If bringing written materials to a meeting for distribution to the Board, please provide the Executive Assistant with seven (7) copies. If you have questions regarding this Agenda, please contact the Director's Office, Oregon State Marine Board at (503) 378-2617 or via e-mail to: june.letarte@state.or.us.

Approval of Minutes: None

Request for Public Comment: None

Agenda Items:

Consideration of Rulemaking for OAR250-020-0221 Boat Operations on Certain Waters in Lane County and OAR 250-030-0030 Scenic Waterways - Regulations

Brewen

Initiate the rulemaking process to consider the re-adoption of OAR 250-020-0221 and OAR 250-030-0030 in order to correct alleged procedural irregularities related to their previous adoption. Those rules implement the Oregon Scenic Waterway Act by prohibiting internal combustion motorboats and floatplanes on Waldo Lake, a statutorily designated state scenic waterway, in order to preserve the natural setting of Waldo Lake, minimize disturbance of its natural beauty, protect its aesthetic values, and provide an unimpaired quality of recreational experience. An exception is provided in the rules for official governmental use and emergency landings of floatplanes.

Action: Authority to Initiate Rulemaking

Marine Board Items:

Other Business and Adjourn
